

NMPAT Drama auditions

What should I expect?

We are looking forward to seeing you for your audition. Our staff will be excited to hear what you can do, and keen to ensure you are able to perform to your best.

When you arrive you go through **Door 1**, if the door is closed press the buzzer and someone will let you in.

Then go to **the waiting room** you will be collected at 1.30pm and taken to your audition room.

The first part of the audition will be a drama workshop where you will work together with other students. The workshop will consist of a warm-up (physical and vocal), the second part of the workshop will see you perform your prepared monologue / poem. The audition will finish with a cool-down together with other students.

Performing your monologue / poem

When you are ready, the teacher will ask you what you are going to perform, and then listen to you perform.

When you perform it's normal to feel nervous. Remember that the teacher listening is rooting for you, on your side, and there to support you.

If you are happy to chat with the teacher, they may ask some other questions so they can find out more about you.

If you have any questions for the teacher, you can ask them before you leave the audition, or if you only think of the later, you can email questions to office@nmpat.co.uk.

The teacher will thank you for performing to them. You will receive the result of your audition at the end of July.
